

VOLUNTEER DRIVER DECLARATION

I declare that the vehicle described below is mechanically fit and that there are seat belts in working condition for all passengers. I am aware that if the vehicle is equipped with passenger-side airbags, children under 12 years should not be permitted to ride in the front seat. I warrant that each child at least 8 years of age or weighing 80 lbs or taller than 4 ft 9 in will be properly secured by a seat belt, otherwise, I warrant to provide a child seat or booster seat for each child as required.

I will provide the Board with prompt written notice, with particulars, of any accident arising out of the use of a licensed automobile during a trip on board-related business.

I am aware that the Board's Excess Automobile Liability insurance comes into effect only after the vehicle owner's primary Third Party Liability insurance limit has been exhausted. I am aware that any damage to my vehicle, the cost of any insurance deductible or premium adjustment as the result of an accident while the vehicle is being used on board-related business is NOT covered by the Board's insurance.

I declare that I hold an unrestricted driver's license and I am authorized to drive in Ontario, and my vehicle is insured by a valid automobile \$1,000,000 liability insurance policy.

NOTE: The Halton District School Board does not provide accident insurance coverage for student injuries. The Board makes available the insuremykids® Protection Plan through Reliable Life. For more information visit: www.insuremykids.com

According to Provincial legislation, passengers who are injured would recover Accident Benefits coverage from their own or a parent's automobile policy. In the absence of a personal or family automobile policy, the passenger would then be eligible to recover benefits from the insurance policy covering the vehicle in which they were riding.
